PERSONAL & CONFIDENTIAL

SUBJECT: Steve Hoolihan

Dear Harry:

Thank you for sending us the confidential record sheet and other information concerning the above named individual. This will be most helpful to us in refusing registration should an attempt come at some other time.

If other information becomes available, please let us know so that we may add it to our file. At the present time, we would refuse a registration attempt that was made from any council.

I think it would be most difficult to keep Mr. Hoolihan from contacting individuals throughout the year. If a family wishes to communicate with him or have relations with him in some way, I do not believe we as a scouting organization can do much about that. We certainly, however, can keep him out of scouting in a registered capacity. Please let me know if I may be of further help.

Sincerely,

Paul I. Ernst, Director
